# Foreword...

The school is yours for YOU ARE THE SCHOOL. Bricks and mortar, steel, glass and wood, even furniture and shrubbery do not make a school until the building becomes alive with you, your friends, your teachers, and that intangible thing we call your "spirit."

One year of your school life is recorded throughout the pages of the 1955

Highlander. What has that year meant to you?

In the classroom you were stimulated to acquire knowledge—to seek truth; on the athletic field you achieved physical fitness and in your heart was bred an insuperable desire to fight, not for personal honors, but for your school; through participation in clubs and organizations you developed leadership and a co-operative spirt; and, in your contact with students and teachers you learned the value of friendship, loyalty and understanding.

In the hope that this has been a momentous year in your life, and that by putting forth your best effort here, you have been rewarded by intensifying within you all the priceless qualities which build character, we dedicate the

1955 Highlander to YOU.

JOYCE GRUBBS Secretary

# S.C.A.

The Student Cooperative Association encourages and controls student activities in your school. The Student Council, composed of the officers and all homeroom presidents, serves as the executive committee of the S.C.A. Through your Council and the various S.C.A. committees, student participation in clubs and organizations is encouraged, leadership is developed and school spirit maintained.

Membership in the S.C.A. was one hundred percent for the first time this year. Your president, Jimmy Steele, served as presiding officer for the Richmond District Meeting and in March, Karol Tribble and Eugene Blanton acted as leaders of discussion groups at the State Convention held at Madison College. At Christmas the S.C.A. collected and distributed toys to the crippled children at the Medical College Hospital and sent a number of baskets to needy families in your communities.

Throughout the year worthwhile and entertaining assembly programs have been presented; parties and dances arranged; appropriate bulletin boards displayed; safety, health and care of school property stressed; and a close relationship among alumni, patrons, teachers and students fostered.

Other activities of the F.H.A. included the Vogue Sewing Contest, a Mother-Daughter Banquet in the spring, canning food for a children's hospital, filling baskets for needy families at Christmas, sending cookies to a nursing home in the community and contributing articles to two state magazines.

Through their five goals for the year, the girls have found the meaning of democracy and service by accepting responsibility and participating in affairs at home, school and in the community.

Dramatics Club The dramatics club began their year with an unusual presentation of the Christmas Story, "The Shining Star" by Lettice Cuttle. This was given for both assemblies before the Christmas holiday. Nearly one-half of the members of the club participated, either by acting or by back-stage work. Their spring plans included a big picnic with group skits and refreshments. The club had a large membership and lacked only time in which to accomplish all that their great enthusiasm demanded.

Library Club The Library Club is composed of about twenty students who serve one hour each day as library aids. They assist the librarian in the circulation of books, processing new books, checking passes, finding reference material and encouraging other students in developing good reading habits. They keep the library running smoothly and make it a pleasant and attractive place in which to read or work.

#### LAYOUT STAFF

Jimmy Gibson draws up the dummy, assisted by Martha Sue Berry who doubled as his assistant manager. Jimmy was not only lay-out editor, but served as photographer and general supervisor.

The 1955 Highlander staff was organized in groups without an editor-in-chief, in order to encourage participation by more students in all grades from 8th to Seniors. The staff worked in groups. The lay-out editors, headed by Jimmy Gibson, drew up the dummy and did over-all planning. The picture committee, with Evelyn Monk as chairman, had charge of taking pictures, identifying pictures and grouping pictures. The literary editor, Roberta Smith, and her workers wrote copy, edited copy and helped plan pages. The art committee gave advice on design, color and arrangements. The typists worked hard getting the final copy ready for the printer, while the subscription campaign was carried on largely by the five class representatives. The business staff, headed by Bobby McGee, had the tremendous job of securing ads to finance the yearbook, collecting money for pictures and subscriptions. Each homeroom president represented the yearbook for his room and cooperated with staff members in picture taking, annual drive for subscriptions and circulation.

# Football

The Highland Springs Springers moved into Group I for the first time last fall, and a combination of inexperience, injuries and a difficult schedule resulted in a one won and eight lost record.

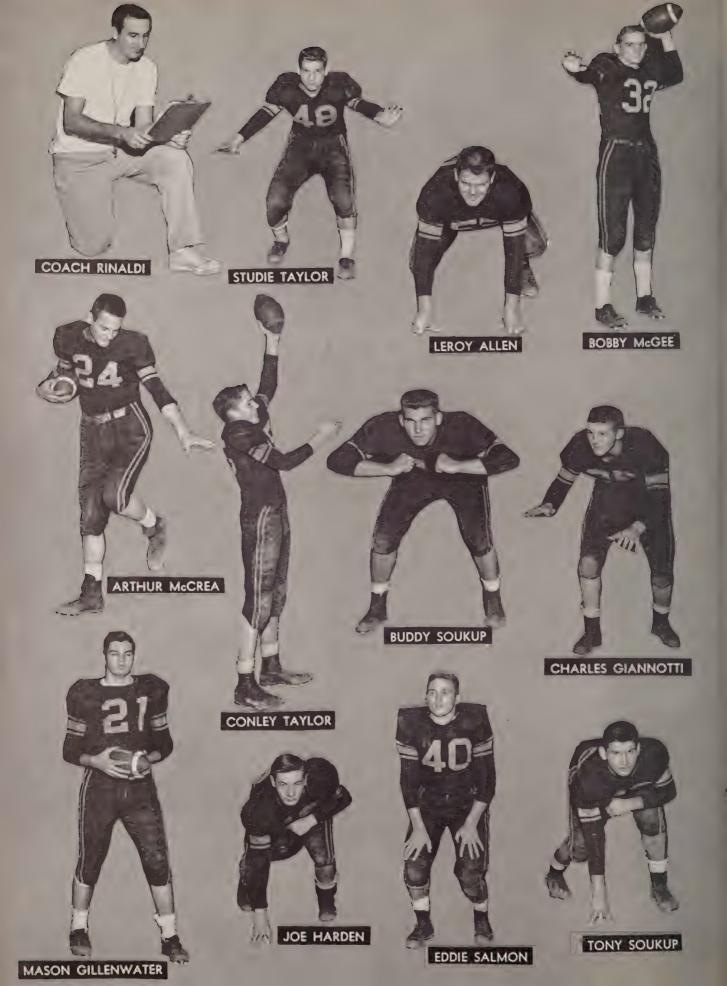

The only win was a big upset victory over arch-rival Manchester 14-13. Other highlights of an otherwise dismal season were: the sterling play of Tony Soukup who capped his season's performance by being selected to the second All-Central District team; Art McCrea's great all-round play which resulted in his being selected the team's most valuable player; the wonderful passing of Bobby McGee in the Thomas Jefferson and E. C. Glass games; and the team's outstanding spirit and hustle even in the face of a losing season.

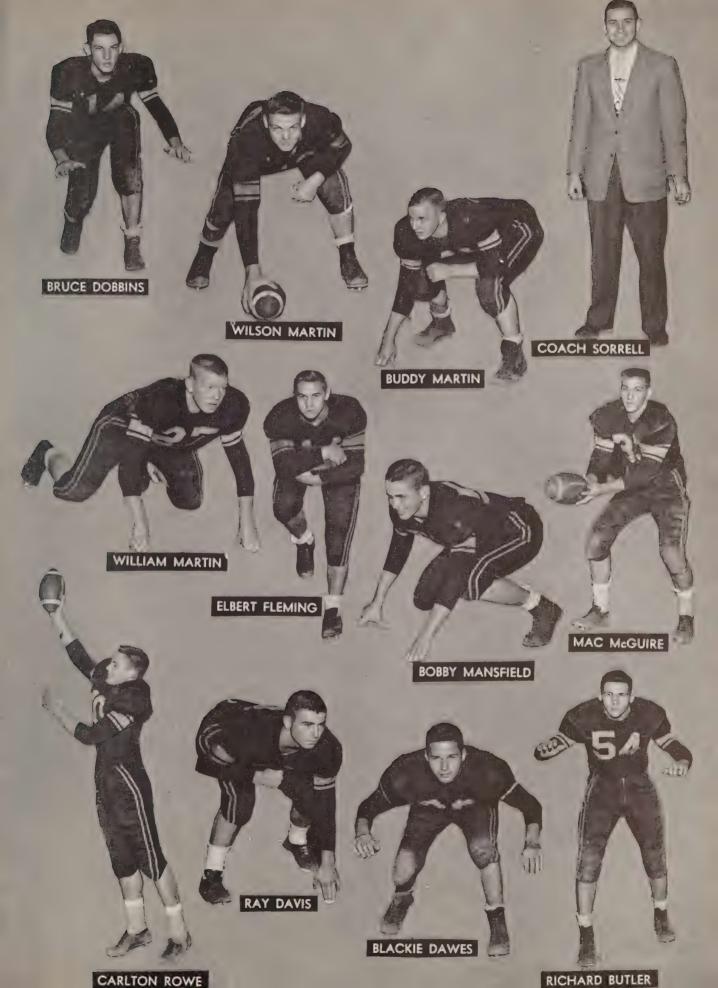

Gone from this year's team will be Wiley Rimmer, Bruce Dobbins, Co-Capt. Mason Gillenwater, Blackie Dawes, Bob Mansfield, Tony Soukup, Buddy Soukup, Art McCrea, Mac McGuire, Bobby McGee and Eddie Salmon. Next year promises much better things since there will be 13 lettermen returning headed by Capt.

Wilson Martin.

## Cheerleaders

Winning the first place cup at the Thalhimers Club 16 Teen Council kicked off a big year for the Cheerleaders. It was a year highlighted by pep rallies, sock hops, and better spectator support all sponsored by the cheerleaders.

At every ball game your Cheerleaders were the bright spot that led the home crowd in the support of the teams.

The cheerleaders do the "highland fling" in their Highlander kilts for the big Homecoming game on November 12.

# Boys' Varsity Basketball

With Captain Doug Salmon the only returning regular, the outlook for the 1954-55 basketball season appeared very gloomy. Lacking in experience and height, though not in desire, the Springers compiled their best Group I record with 11 wins and 8 losses and captured third place in the Central District with a 7-5 record.

Tommy Garrett was the team's leading scorer with 256 points, 33 of these coming against Varina when he tied the school record for the most points scored in a single game, and was a valuable rebounder. He was selected to the All-Central

District 2nd team and the All-City 2nd team.

Jerry Suyes scored 192 points and was an outstanding all-round player. Berry Swilling, up from the Junior Varsity, started out slow, but by the end of the season was regarded as one of the team's most dependable performers and scored 143 points. Salmon was the play-maker and best defensive player. His experience helped keep the Springers together when the going got tough. He scored 175 points for the year, and was considered as one of the best free throw shooters in the district. He and Suyes won honorable mention on the All-District team.

Jimmy Metheny, Conley Taylor and Wade Netherland alternated in rounding out the starting line-up. Metheny was one of the better rebounders and the hardest working boy on the team. Taylor improved steadily and is being counted on heavily for next year. Netherland was the team's most improved player.

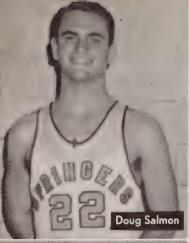

Rounding out the squad was Randy Pearce, Jimmy Steele, Wayne Fifer, Carlton

Rowe, Forrest Hudson and Gene Blanton.

Salmon, Pearce and Steele will be lost from the team by graduation, but with the rest of the boys back the Springers should have one of the school's best teams next year.

Left to right: David Lacey, manager; Jimmy Steele, Wade Netherland, Richard Suyes, Eugene Blanton, Carlton Rowe, Conley Taylor Randy Pearce, Wayne Fifer, Jimmy Metheny, Tommy Garrett, Berry Swilling, Doug Salmon, captain; Coach Paul Webb.

# Junior Varsity Basketball

The Highland Springs Junior Varsity enjoyed one of their greatest seasons as they compiled a 17 won and three lost record this year.

Outstanding highlights were: the one point win over Thomas Jefferson, a similar one point win over John Marshall; and two decisive victories over arch-rival Hermitage. The Baby Springers were the only team in the State able to top the Tee Jay Juniors.

Leading the team in scoring this year was Wayne Davenport who tallied 249 points for an average of 12.5 per game. Wayne also hit on a phenomenal 60.4% of his shots. Wayne Westman was next in the scoring column with 169 tallies for a 8.5 average per game. Rounding out the first team were: Johnny Garnett, Kermit James and Francis Blackburn, all of whom scored over 100 points. Others on the team were: Norman Ashlin, Tommy Owens, Austin Bishop, Louis Hobson, Jerry Fifer and Eddie Sharp.

# Girls' Varsity Basketball

The girls' varsity team this year, in spite of its record of 3 wins and 6 losses, played good, hard ball. They were co-captained by Doris Keck and Shelby Landers, and with the help of Mrs. Triner, the Springer spirit was kept alive, win or lose. Next year the girls are looking fowad to a winning season with nine of the eleven varsity returning. High scorer was Barbara Mansfield with 76 points.

The girls enjoyed playing Junior Varsity basketball this year and are hoping to make the Varsity team next year.

# Varsity Baseball, 1955

The Springers came through the 1954 season, their first in Group I, as winners of the Central District Championship. The season was highlighted by the timely hitting of Catcher Jimmy Warren, first baseman Bobby McGee and the pitching of Wayne Land.

The 1955 season got off to a bad start with the Springers tying Hopewell 5-5, then losing to Hermitage 7-5 and John Marshall 1-0. Since that time the team has righted itself and has beaten Petersburg 5-2 and Thomas Jefferson 4-1. The team is sparked this year by the pitching and hitting of Berry Swilling. With good teamwork and the great Springer spirit your team wound up another successful season.

# Junior Varsity Baseball

The Junior-Varsity baseball team is composed of boys from the 9th and 10th grades, boys who will be varsity performers in the next year or two. They play a regular schedule as does the varsity, and practice sessions are held every day when there is no game, during which time fundamentals are stressed.

## Track

The Springers have always excelled in Track and field events and for fourteen years were unbeaten by a county team. The 1954 season was the first as a Group I contestant, and in the Central District Meet ran second to Thomas Jefferson, the winner. Beginning with only two letter-men back this spring, Co-captains Mason Gillenwater and Cleo Speas, the 1955 season was not auspicious.

The 1955 season opened with a three-way meet with Hopewell and Chester, with these results: Highland Springs 58, Hopewell 42, Chester 16. The St. Christopher Meet was won 73 to 40. With about half the season completed, your track team has won four and lost two in dual meets. Gillenwater seems established as the highest scorer in District 2, participating in five track and four field events. Your track team should be much stronger next year with good potentialities among lower classmen.

WHEN a young man can face the business world with the same undaunted courage that he bucks the line in football, and can take the bumps that inevitably will come to him in business, and can keep his fighting spirit and keep smiling . . . then he has the mark of a champion. The world needs young men like this and the world will make way for them. The life insurance business needs such men, so why not prepare yourself for a career in the life insurance business. It's a business of opportunity for young men of ambition and vision.
